

Consent for blood and/or CSF sampling v 4.2

Name

Date of Birth.....

I have read Information sheet 3 NBTR Blood and CSF samples v.4.2 dated 18 January 2024

I agree to give a blood sample (about 20mls or four teaspoons)

I agree to give a CSF sample (about 20mls or four teaspoons)

I understand that this is purely for research purposes and that the results will not be of any significance for me personally

I understand that my participation is voluntary and that I can withdraw my consent at any time without having to give a reason. Any unused samples will then be disposed of.

I agree to use of the samples in projects with commercial companies but understand that I will not benefit financially if a project leads to development of a new test or product

I agree to genetic testing of the samples.

I agree to use of the samples in projects involving animals if necessary

I agree to use of the samples in projects outside the UK
